

**IMPEACH BUSH & CHENEY, PUT THE CROOKS & LIARS ON TRIAL NOW!
DEMAND DEMOCRAT & REPUBLICAN ACCOUNTABILITY & JUDICIAL INTEGRITY!
IMMEDIATE WITHDRAWAL OF ALL US TROOPS & PRIVATE MERCENARIES!
WAR REPARATIONS FOR THE PEOPLE OF IRAQ AND AFGHANISTANI!**

In the spirit of internationalist solidarity with our working class brothers and sisters everywhere, particularly in the 3rd world where the US Empire is waging ruthless wars of aggression & plunder, we thank those residents of San Diego who signed the Impeachment Committee of San Diego (ICSD) petition, calling on the San Diego City Council to pass a resolution to impeach George Bush and Dick Cheney.

After we get a significant number of signatures we plan to take said petitions to city hall & present them to "our" San Diego City Council. The number of signatures is very important. If there are too few the city council and the press will ignore us. We need to get as many signatures as possible.

So far the ICSD is just a small ad hoc committee. To collect enough signatures we need many more volunteers. We also need to develop a formal community and popular organization based on democratic principles & grassroots politics to promote impeachment in San Diego and to motivate, educate & mobilize the people against US imperialist atrocities, the importance of governmental accountability, and the connection between international, national and local issues.

We hereby call on all genuine & principled anti-war activists of San Diego interested in pushing the San Diego City Council to pass such a very reasonable resolution to please attend our open meetings, which are currently being held each Wednesday @ 7 pm @ The Other Side Coffee House located @ the corner of Polk and 30th St in San Diego.
